## GENDER RESPONSIVE ASPECT

When preparing all these sections, the gender responsive aspect should be taken into account. In this regard, the following items need to be taken into account.

The questions listed are facilitative and do not limit the questions that can be asked or the sections to be explained.

- How the gender equality is at the center of your project, please explain.
- Have gender aspects considered at the selection of the target group? If yes, how? Please, explain.
- How were gender equality and gender-sensitive approaches prioritized in partner selection?
- Are your goals and indicators gender-responsive?
- How do you plan to ensure gender equality in activities/interventions?
